

WOW! What a wow day shooting Cowboy Action at White Horse Range! The weather was excellent after a white start. The meadowlands were white with frost that looked like snow on the trip with colorful foliage to make a great fall experience. Things really heated up fast, and it wasn't only the weather. The guns were rocking, the sky was baking, and the competitors were shaking. Opossum was slamming it with first place Cowboy and overall with a score of 219.47! (Wow) His brother took second with a score of 238.84. Blue Creek Bill took third overall with 252.68 and first place Senior. Duke Hunter took fourth with 269.58 and first place Gunfighter. John Henry Slaughter took fifth with 284.20 and first place Silver Senior. Bulldog took sixth with 290.46 and first place 49er. Jessie Belle took seventh with 293.82 and first place Cowgirl. Mike Fink took eighth with 300.92 and first place Black Powder. Lone Rider took ninth with 308.44 and first place Elder Statesman.

A BIG thanks to Mike Fink and spectator crew for an outstanding lunch of Chili, pepperoni rolls, and cupcakes. We were glad Captain Copperhead stopped by even though his guns were in the shop. Two other spectators of Jessie Belle's moving to the area are really interested in starred shooting Cowboy.

Thanks to everyone for such a wonderful day here in Almost Heaven!
